## Clothing Co-ordinator

The committee are looking for a member to co-ordinate the Club's Clothing. As well as keeping on top of the items to sell, we also have some Jersey's that are loaned to our younger members, which need to be kept track of.

The most time-consuming part is to co-ordinate the ordering of new clothing, as and when required, but this is only about every 18 months.

It is not something that requires you to be at the clubroom every Monday, so long as you can keep the committee up-to-date every now and then with what stock we have.

If you would like to know more, or are interested in helping us with this important role, please do not hesitate to contact me.
