Pocket First Aid kits

The committee have recently invested in some compact first aid kits that will comfortably fit in a rear pocket of a road jersey.

If you are leading a ride, please make sure you pick one up before you leave and return it back to the clubroom afterwards. Should any items get used please let someone on the committee know so replacement items can be obtained before we run out.

Club Clothing

Do you need any new Club clothing?

We have had a member asking about buying a jersey but do not have his size in stock. The committee would like to replenish what clothing we hold in stock.

However, we will not be able to do that until the order is worth over £750, due to Endura's minimum order.

If there is anything you require, **please can you let me know by 31st March**, as the committee next meets on 3rd April 2017.
