MILDENHALL CYCLING CLUB

What's On for February 2020 *Updated*

HMRC - CASC Payment

One of the advantages of being registered as a **Community Amateur Sports Club** (CASC) is that, like registered Charities, we can claim back the tax portion of any donations made to us by UK Tax Payers.

In the 2018-19 Club year this amounted to £303.48 extra income for the Club. Of this £228.65 was attributable to the Mini-Fest, taking the 2019 event profit up to £1,405.32!

Another advantage of being a **CASC** is that we receive a substantial discount the Club has to pay in Council Tax for the clubroom. Last year it only cost us £9.91!

Cycling Mini-Fest

For those interested in this year's event, we will be meeting on Monday 24th February 2020 at 8pm in the clubroom to start planning. Everyone welcome.

Email from former member - Reg Andrews

"I am just clearing out my loft and have uncovered my Time-Trial bike.

It has been there for some 15 years, so to cut to the chase, I was wondering if anybody would want it?

I'm not asking anything for it. I just think it would be better if someone could get some use rather than hide it away for another couple of decades.

It's an Italian Somec frame (I'm 5ft 10½" now, I think I may have been a bit taller in 85)

It has conventional bars, concealed cable levers; various Campag' bits and some custom-made parts, including the 175 throw cranks with a 62t gearwheel.

If you're interested in this, please let me know so I can put you in touch with Reg.
